1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Scott Wolinsky on 21 April 2005.

The application has been amended as follows:

In the drawing:

Figures 14 and 15 have been added by taking sheet no. 8 of the copending application serial no. 10/145,371 as sheet no. 5 of the instant application. And the drawing sheets have been thereby renumbered as 1-5 respectively.

2. The following is an examiner's statement of reasons for allowance:

The subject matter of the claims is allowable over the prior arts of record because all prior arts fail to teach or suggest a method or a system for minimizing the amount of data necessary to signal code and timeslot assignments to support a communication of a user in a wireless hybrid time division multiple access (TDMA)/code division multiple access (CDMA) communication system comprising at least one transmitter and at least one receiver, whereby the system supports wireless radio frequency (RF) communications utilizing at least one timeslot from a predetermined sequence of timeslots and a predetermined sequence of codes, by: at the transmitter: selecting at least one timeslot from the predetermined sequence of timeslots; for said at least one selected timeslot, selecting, consecutive codes from said predetermined sequence of codes; and signaling an identifier of said at least one selected timeslot and a first and last code of

said selected consecutive codes without signaling the codes there between; and at the receiver: receiving the signaled identifier; and using said at least one selected timeslot and said selected consecutive codes to support the communication.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alpus H. Hsu whose telephone number is (571)272-3146. The examiner can normally be reached on M-F (5:30-3:00) First Friday Off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Huy D. Vu can be reached on (571)272-3155. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
